RE: ES-DOC EU Workshop 2015

Dear XXXXXXXXX

It is with pleasure, in my capacity as as EU coordinator of the Earth System Documentation (ES-DOC) project, to formally invite you to the **ES-DOC EU Workshop 2015**. This workshop will be a valuable opportunity for yourself not only to explore in-depth ES-DOC tools and services, but also to contribute to the discussions and planning for CMIP6.

The workshop will run from Monday February 9th until Friday February 13th. The workshop is being hosted by the Science & Technology Facilities Council (STFC) at:

The Cosener's House
Abbey Close
Abingdon
Oxfordshire
OX14 3JD
United Kingdom

Bed & Breakfast accommodation has been pre-booked. Please inform me if you wish to take advantage of this or whether you will make alternative accommodation arrangements. Lunch will be provided upon each day of the workshop.

This workshop is one of several IS-ENES2 sponsored workshops to be run in various EU locations over the next 3 years.

Sincerely,

XXXXXXXXXXXXXXXXXXXX
(ES-DOC EU coordinator)
